

LIGHTHOUSE AT THE MOUTH OF THE THAMES RIVER, where it empties into Lake St. Clair, a landmark for nearly a century, is the centre of an attractive resort development. Near the lighthouse in this view, can be seen the Lighthouse Inn and a few of the many cottages, each with its own sheltered dockage for boats virtually at its own back door. Good fishing in Lake St. Clair is an attraction, plus the choice of boating in lake or river waters.
